Once upon a time……

I decided to write a personalized comic book, so I had to find a place to make my characters. So I went shopping and found…….

I was created at http://www.moeruavatar.com/index_en.shtml.
We were created at http://www.tektek.org
I was created at http://elouai.com/doll-makers/new-dollmaker.php

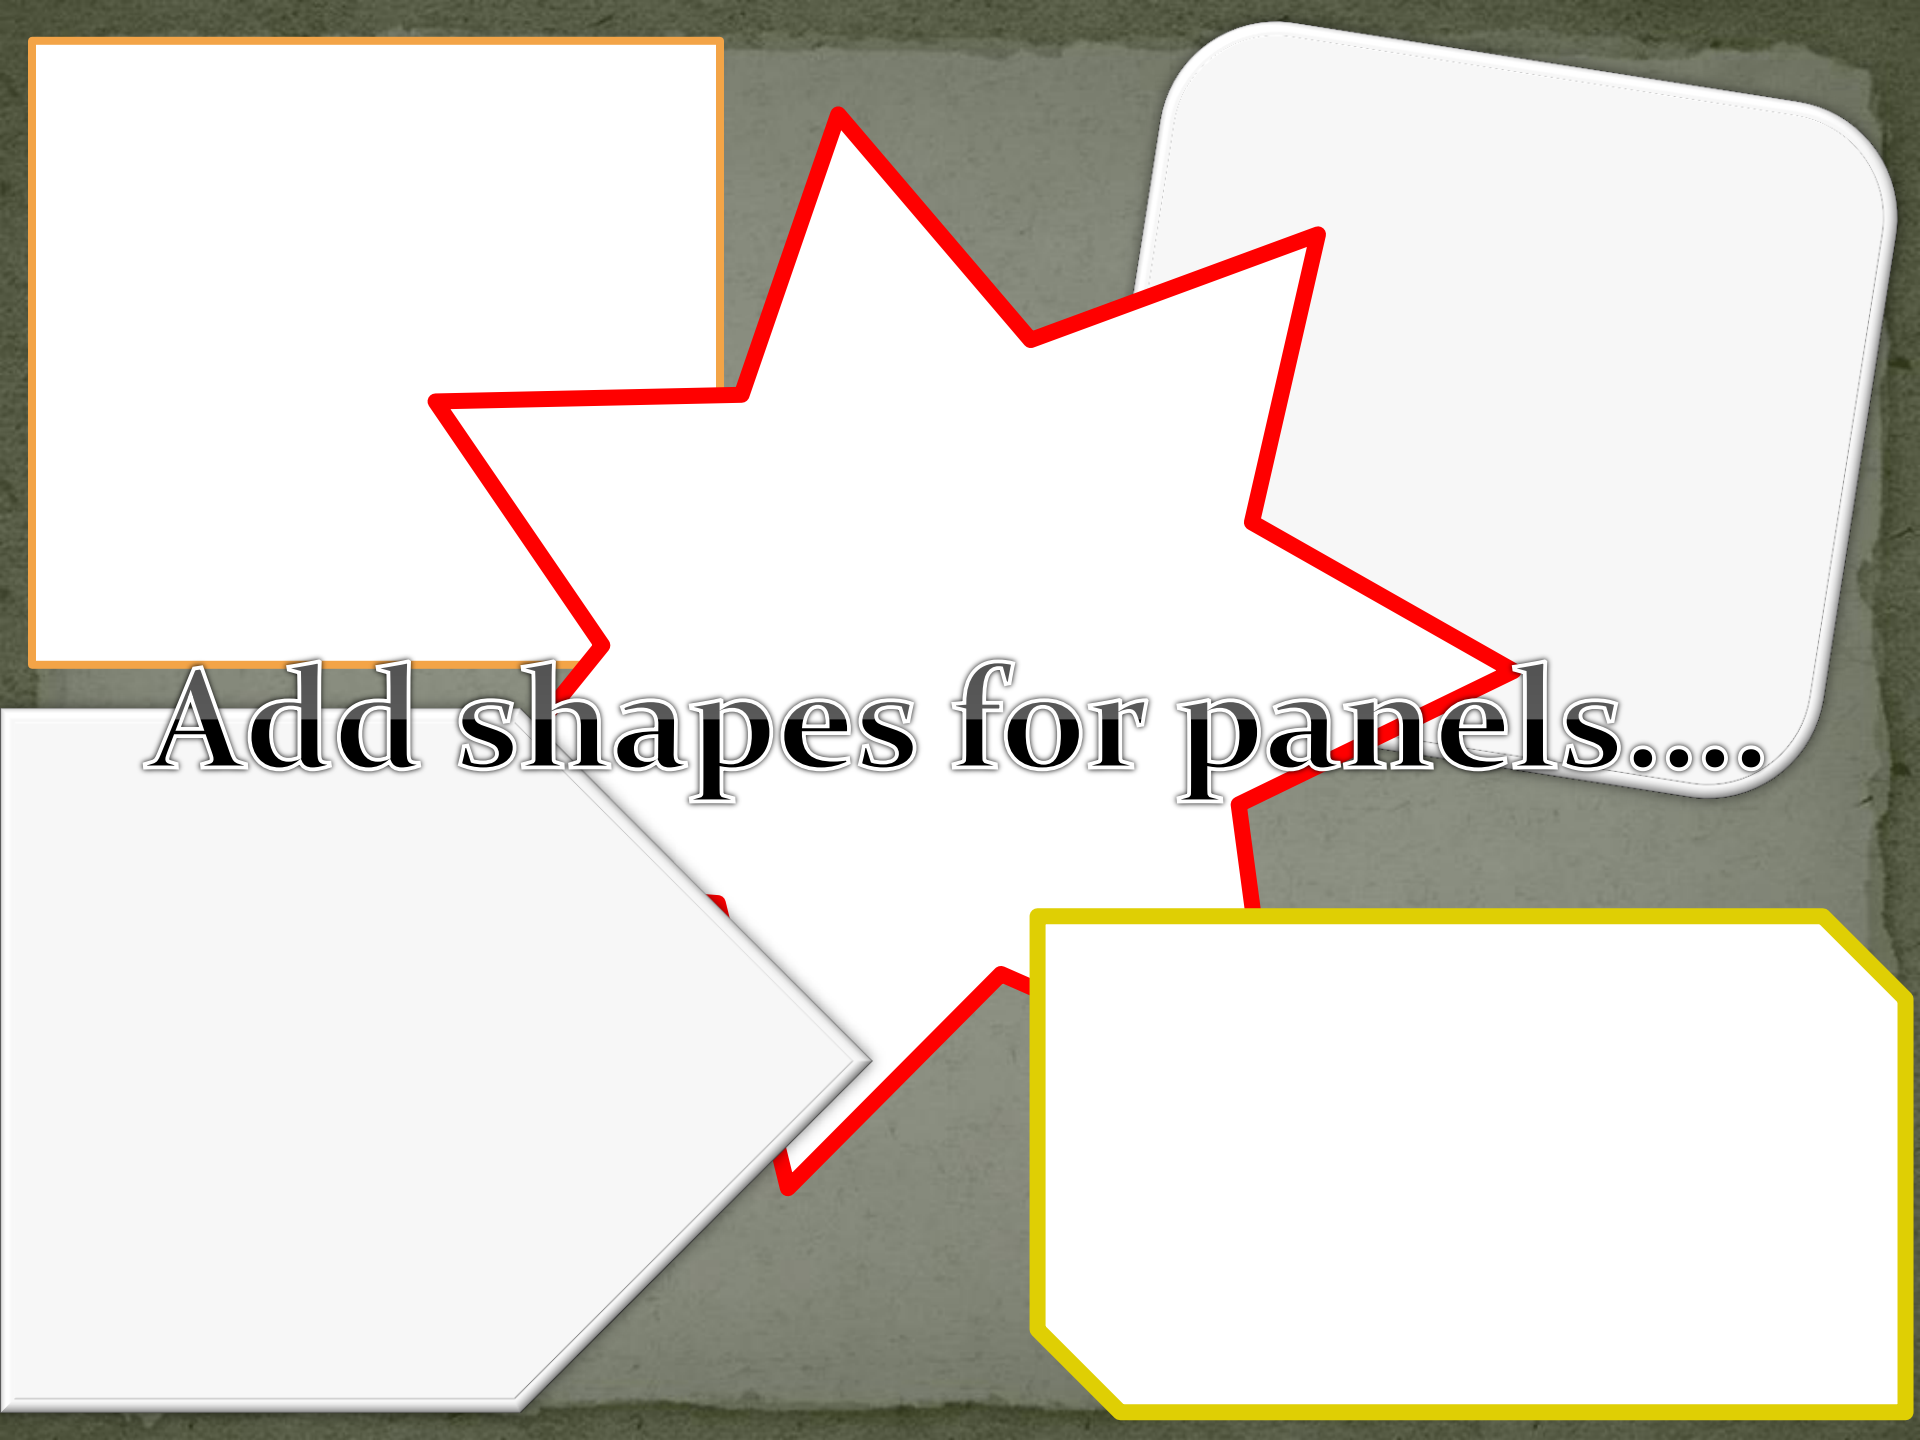
Now that I have decide who….

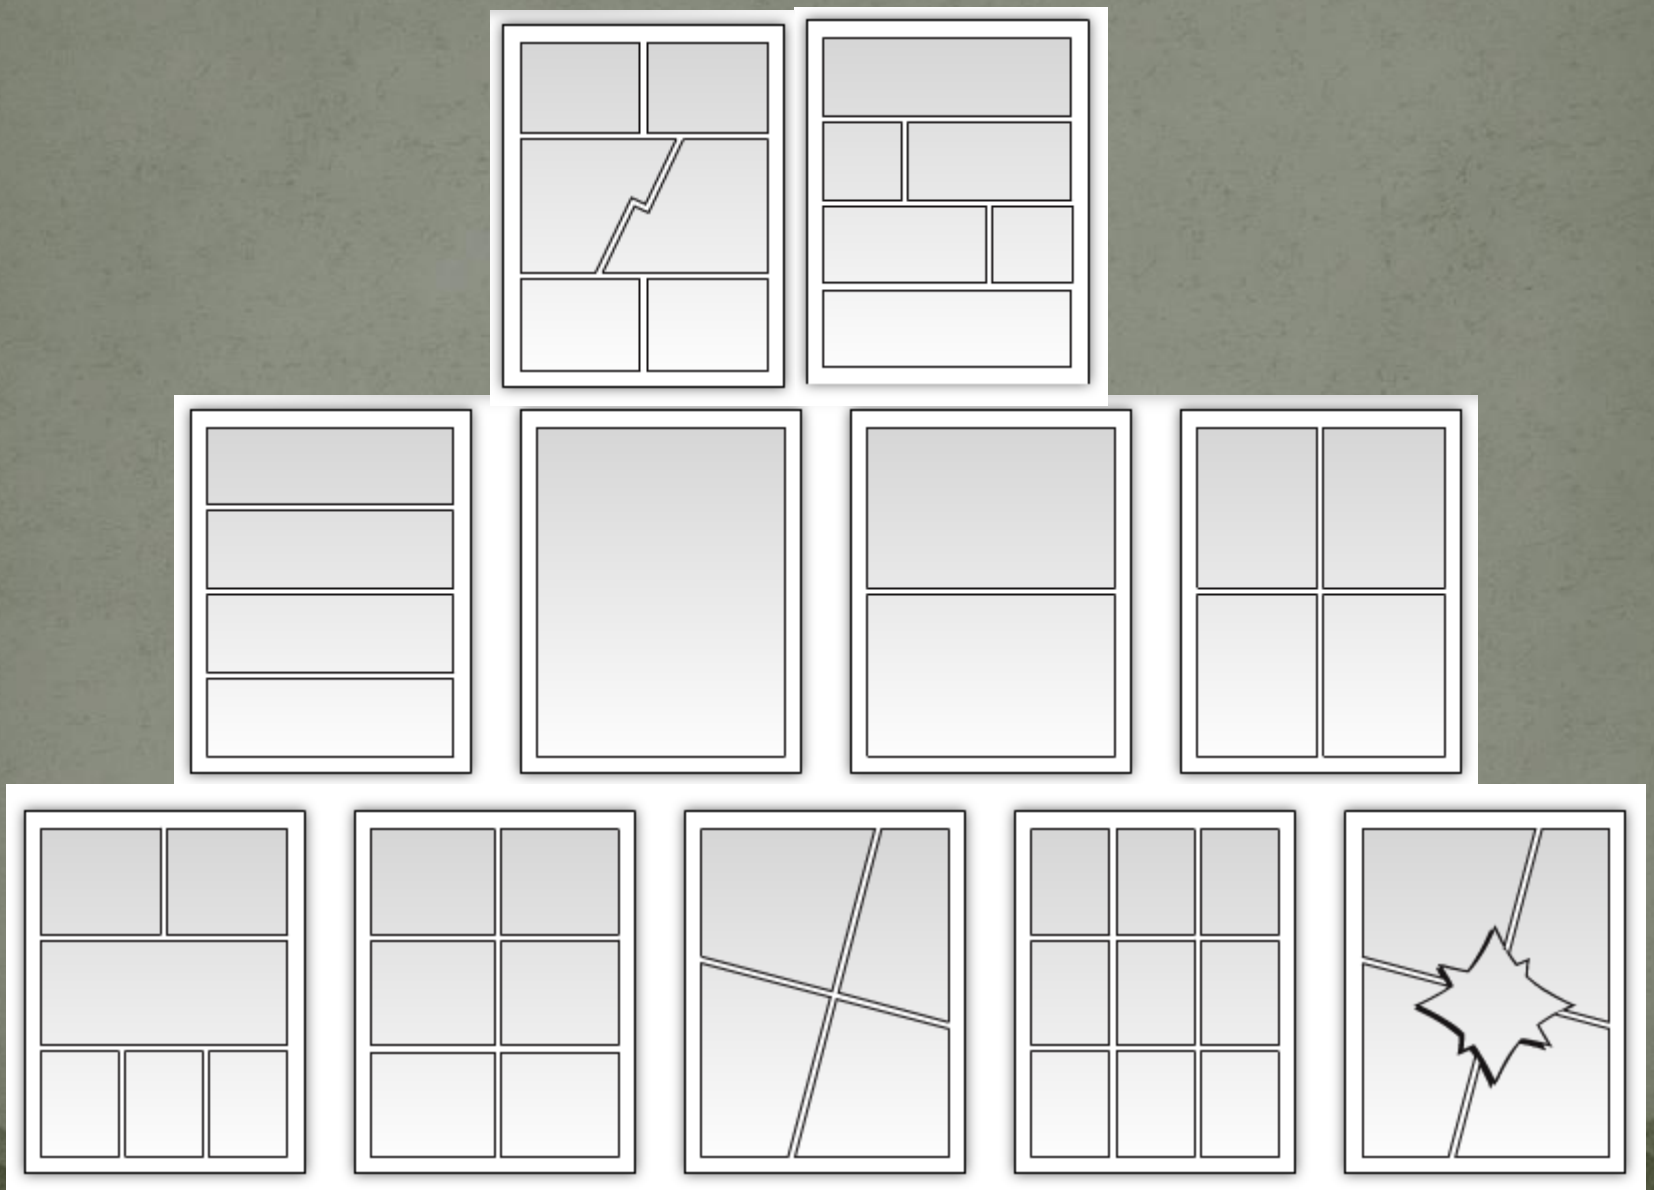
- Where will it happen? Gather some pictures for my comic book.
- Who else will be involved? Create other characters.
- What is going to happen? Write a small script.

- Now Create your panels……



Add shapes for panels....

What will your panels look like ?



Add lines around the shapes..

Add Artistic Effects to fills..

Or add a background

Go to shape fill on the Drawing Tool bar.

Fill if a picture.

Change to gradient fill...

Add the following:

- **The Characters**
- **Speech balloon, word balloon, thought bubble**
- **Caption lines like:**

  Once upon a time…..

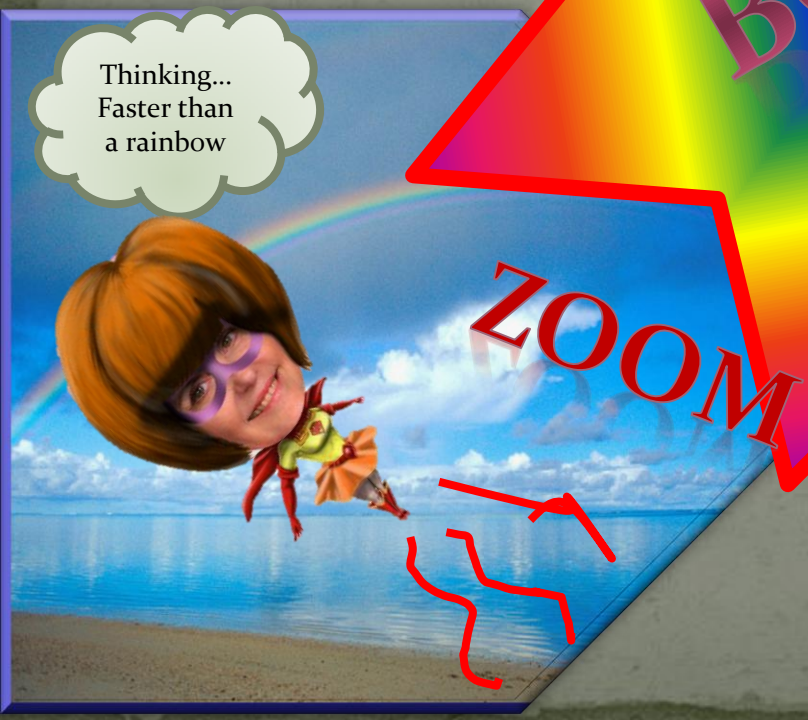
  Suddenly the lights when out….

  When the lights came on…
- **Sound effects using WordArt and AutoShapes…**

- BAM! (pistol shot)
- SPANG! (bullet hitting metal)
- SPLAT! (bullet hitting masonry or concrete)
- WANG! KAWUNNGG! (bullet hit with ricochet)
- POW! (fist hitting chin)
- SOK! (fist hitting chin)

- CRAK! (nightstick hitting skull)
- CRACK! (wrench hitting skull)
- CREAK! (squeaky door opening)
- EEEEEEEEEE! (scream)
- CRASH! (furnishings being destroyed in a fight)

..Not as tall as grass. EEEE!



Thinking... Faster than a rainbow
ZOOM

Run anywhere in the world... (pant, pant)

As energy waves leaves her hands....

BOOM!
